## “The Jon Dore Television Show, a hilarious half-hour!”

Rob Salem

I have belatedly discovered The Jon Dore Show, a hilarious half-hour running Friday nights on the Comedy Network, and due to start its second season Jan. 21.

Dore is slyly, drily self-deprecating, the definition of deadpan as he explores offbeat themes with the help of real people willing to play along – this is not ambush comedy. Dore has been nominated for three Gemini awards this week. I'd describe him as about halfway between Tom Green and Rick Mercer (which admittedly covers a lot of ground).
